

God's Masterwork, Volume Three
Poets, Prophets, and Promises — A Survey of Job–Daniel
 Proverbs: Reliable Counsel for Right Living
A SURVEY OF PROVERBS

The Heart of the Matter

A proverb is a pithy statement of bite-sized wisdom. Up until now in this study of the Bible, we've found history, biography, and poetry in Scripture . . . but not much philosophy—except, perhaps, in Job. The book of Proverbs offers a wealth of information to aid us in wise living. What the Psalms are to our devotional life, the book of Proverbs is to our practical life. In terse and striking ways, the profound genius of these maxims lies in their shrewd concentration of truth. As we shall see, they remain to this day a marvelous source of insightful and penetrating information.

Discovering the Way

1. Name of the Book

Understanding the linguistic background and fixing a practical definition of a proverb will help us as we begin our study of the book of Proverbs.

2. Contents of the Book

We could divide Proverbs into three large categories: subjects and statements, people and problems, and counseling and correction.

3. Purpose of the Book

Solomon wanted to accomplish five things by writing Proverbs.

Starting Your Journey

The message of the book is simple: knowledge is what you remember after you've forgotten everything you've learned.
