Philemon: An Appeal for Grace and Forgiveness  
*A SURVEY OF PHILEMON*

### The Heart of the Matter

About six years before his execution, Paul wrote a “postcard” to his longtime friend, Philemon, a citizen of Colossae. This, the shortest of the apostle’s writings, is one of the grandest illustrations of grace and forgiveness in all of Scripture. It is a warm, passionate appeal to a slave owner to accept back, forgive, and reinstate his runaway slave named Onesimus. Because of the obvious analogy with our being accepted by God and forgiven through His grace, this little letter has become one of the most treasured in the New Testament. See if you don’t agree as we work our way through these twenty-five verses.
